INTRODUCTION

The U.S. Center for SafeSport (the Center) is committed to building a sport community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. Throughout this document the most commonly used terms are defined in the Terminology section in the back of this document.

Authority

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the Center to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, national governing bodies and paralympic sports organizations *must offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in regular contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors*. 36 U.S.C. § 220542(a)(2)(E). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterrupted one-on-one interactions between an amateur athlete, who is a minor, and an adult, who is not the minor’s legal guardian, at facilities under the jurisdiction of organizations within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(2)(C).

What is the MAAPP?

To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP). The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has three primary components:

1. An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement;
2. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, that Organizations within the Olympic & Paralympic Movement must implement to prevent abuse;
3. Recommended Prevention Policies.

The Center developed the MAAPP to assist National Governing Bodies (NGBs), Paralympic Sport Organizations (PSOs), Local Affiliated Organizations (LAOs), the U.S. Olympic & Paralympic Committee (USOPC), and other individuals to whom these policies apply in meeting their obligations under federal law (*note: implementing these policies does not guarantee that an organization or individual fully complies with federal law or all applicable legal obligations*). These Organizations should share these policies with all Participants and with parents/guardians of minor athletes. Those implementing these policies should consider the physical and cognitive needs of all athletes.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction. **The Center recommends that parents first complete training on abuse prevention to be informed about potential boundary violations and concerns before consenting to the interaction.**

While the MAAPP will help organizations implement these policies to greatly improve minor athlete safety, in no way can they guarantee athlete safety in all circumstances, especially when the policies are not fully implemented, followed, or monitored. These policies are not comprehensive of all prevention strategies, nor are they intended to be. These policies should be implemented alongside the [SafeSport Code](#). Additionally, other resources are available that may assist organizations in improving athlete safety¹.

How Does the Center Ensure Compliance with the MAAPP?

Federal law requires the Center to conduct regular and random audits of the NGBs to ensure compliance with these policies. 36 U.S.C. § 220542(a)(2)(E). More specific organizational compliance requirements can be found in Part II. Additionally, it is the responsibility of the USOPC and each NGB, LAO, and Adult Participant to comply with the MAAPP. The aforementioned Organizations can act in their respective programs for violations of the MAAPP by Adult Participants. Adult Participants also have an independent responsibility to comply with these MAAPP provisions. Violations of these provisions can result in sanctions under the SafeSport Code.

Is the MAAPP Different from the SafeSport Code?

Yes. The [SafeSport Code](#) works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains

misconduct policies for individuals. However, violations of the MAAPP can violate the SafeSport Code, and violators can be sanctioned.

SCOPE

The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), and Paralympic Sport Organizations (PSO) within the Olympic & Paralympic Movement (each an “Organization”).

Some policies impose requirements on US Squash at accredited events and facilities partially or fully under the US Squash’s jurisdiction. For example, US Squash must monitor locker rooms at their facilities and accredited events. Other policies impose certain requirements on Adult Participants under the US Squash’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one electronic communications with Minor Athletes that they coach.

Who is a Minor Athlete?

A **Minor Athlete** is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of US Squash.

Partial or Full Jurisdiction: Includes any accredited event (including all travel and lodging in connection with the event) by US Squash or any facility that US Squash owns, leases, or rents for practice, training, or competition.

Who is an Adult Participant?

An **Adult Participant** is any adult (18 years of age or older) who is:

1. A member or license holder of US Squash;
2. An employee, intern, or board member of US Squash
3. Within the governance or disciplinary jurisdiction of US Squash;
4. Authorized, approved, or appointed by US Squash to have regular contact with or authority over Minor Athletes.²

² This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.

What is In-Program Contact?

In-Program Contact includes accredited events and facilities, but it also applies more broadly to sport-related interactions. **The MAAPP defines “In-Program Contact” as:**

Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of in-program contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

Does the MAAPP Have Any Exceptions?

Yes. The MAAPP was written with certain appropriate exceptions in mind. Exceptions are addressed in each policy and include:

1. A Close-in-Age Exception

This exception applies to certain policies and allows for In-Program Contact between an Adult Participant and a Minor Athlete if:

- a. The Adult Participant has no authority over the Minor Athlete; and
- b. The Adult Participant is not more than four years older than the Minor Athlete.

Note: This exception is different than the close-in-age exception in the [SafeSport Code](#) pertaining to misconduct.

2. Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete

3. Exceptions for Dual Relationships

This exception applies to certain policies when the Adult Participant has a dual role or relationship with a Minor Athlete. The exception requires written consent of the Minor Athlete’s parent/guardian at least annually.

Many of the exceptions require parent/guardian consent. The Center recommends parents take training on child abuse prevention before providing consent under these policies. The Center offers a free Parent Course at safesporttrained.org.

Am I required to take SafeSport Training?

Certain Adult Participants within the Olympic & Paralympic Movement who have (i) regular contact with Minor Athletes, (ii) authority over Minor Athletes, or (iii) are employees or board members of US Squash, are required to take training. The specific training requirements can be found in Part I.

PART I

EDUCATION & TRAINING POLICY

A. Mandatory Child Abuse Prevention Training for Adult Participants

1. Adult Participants Required to Complete Training

- a. The following Adult Participants must complete the *SafeSport Trained Core* either through the Center's online training or the Center's approved, in-person training:

2. Timing of Training

Adult Participants must complete this training:

- b. Within the first 45 days of either initial membership or upon beginning a new role subjecting the adult to this policy.

3. Refresher Training

The above listed Adult Participants must complete a refresher course on an annual basis, within 12 months after completing the *SafeSport Trained Core*. Every four years, Adult Participants will complete the *SafeSport Trained Core* training. Medical providers can take the Health Professionals Course in lieu of the *SafeSport Trained Core* and are required to take the refresher courses on an annual basis if they meet the criteria for A(1).

B. Minor Athlete Training Must Be Offered

1. US Squash, on an annual basis, must offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.

E. Exemptions and Accommodations

1. Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport at exemptions@safesport.org.

PART II: REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

US Squash recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse. US Squash policies for one-on-one interactions include:

- A. One-on-One Interaction Policy**
- B. Meetings and Training Sessions Policy**
- C. Athletic Training Modalities, Massages, and Rubdowns Policy**
- D. Locker Rooms and Changing Areas Policy**

APPENDIX

ORGANIZATIONAL REQUIREMENTS FOR EDUCATION & TRAINING AND PREVENTION POLICIES

US Squash must implement proactive policies designed to prevent abuse. These requirements are described below.

A. Organizational Requirements for Education & Training

1. US Squash must track whether Adult Participants under its jurisdiction complete the required training listed in Part I.
2. US Squash must, on an annual basis, offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.
 - a. For training to Minor Athletes, the Organization must track a description of the training and how the training was offered and provided to Minor Athletes.
 - b. US Squash is not required to track individual course completions of Minor Athletes.
3. US Squash must, on an annual basis, offer training to parents on the prevention and reporting of child abuse.

B. Required Prevention Policies and Implementation

1. US Squash must develop minor athlete abuse prevention policies that contain the mandatory components of the Center's model policies in Part III. These model policies cover:
 - a. One-on-one interactions
 - b. Meetings and training sessions
 - c. Athletic training modalities, massages, and rubdowns
 - d. Locker rooms and changing areas
 - e. Electronic communications
 - f. Transportation
 - g. Lodging
2. The policies must be approved by US Squash as described in subsection (C) below. The policies may include the recommended components in Part III and the recommended policies in Part IV. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. An Organization may choose to implement stricter standards than the model policies.
3. US Squash must also require that its LAOs implement these policies within each LAO. Currently, US Squash has no LAOs in its organization.

4. US Squash must implement these policies for all In-Program Contact.
 - a. At accredited events and facilities partially or fully under its jurisdiction, the organization must take steps to ensure the policies are implemented and followed.
 - b. For In-Program Contact that occurs outside US Squash’s accredited event or facilities, implementing these policies means:
 - i. Communicating the policies to individuals under its jurisdiction;
 - ii. Establishing a reporting mechanism for violations of the policies;
 - iii. Investigating and enforcing violations of the policies.
5. US Squash must have a reporting mechanism to accept reports that an Adult Participant is violating US Squash’s minor athlete abuse prevention policies. US Squash must appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

C. Policy Approval and Submission Process

1. US Squash may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, it must submit their policies to the Center at compliance@safesport.org for review and approval by January 31, 2021. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Part III become the default policy until the Center approves the policy.
2. US Squash may, in its discretion, require its National Member Organizations (NMO) to implement these policies.
 - An NGB that chooses to require its NMOs to implement the Education & Training Policy must obtain advanced, written approval from the U.S Center for Safe Sport to expand the training access to additional persons. Requests must be submitted to ngbservices@safesport.org.
3. The mandatory components of the Required Policies for One-on-One Interactions section will serve as the default policy for any organization that fails to develop its own policy as required by this section.
