the CEO and Chair(s) of the Judicial Committee of US Squash. The written appeal may be filed in person, via electronic mail, regular mail or by other overnight delivery service. Any person entitled to participate in the hearing may do so via teleconference.
 6. Notwithstanding anything herein to the contrary, if the urgency of the appeal requires a decision before a quorum of the Judicial Committee can be

10. In any hearing conducted under this section, the evidence will be distributed to all parties such that the evidence can be inspected within a reasonable time to prepare one's position in the matter, and the Judicial Committee shall affirm the decision at issue unless the aggrieved member proves by clear and convincing evidence that the decision was improper.
11. The Judicial Committee shall issue written conclusions, and a written explanation of the reasons for its order which shall be non-appealable within US Squash.

These procedures shall not apply to any matter falling within the jurisdiction of the USCSS.

1. General Provisions. Credible allegations that any member has violated any relevant federal, state or local law in connection with his or her participation in US Squash activities, has violated US Squash Codes of Conduct or agreements with US Squash, or other policies of US Squash and that such conduct warrants disciplinary action including suspension of competition eligibility may be presented to the Chair(s) of the Judicial Committee, or the CEO or his or her designee. Upon receipt of such credible allegations, it is the duty of such person to immediately notify the Chairman of the Board of Directors and the CEO of the same.
2. Long-term Suspension Proceedings. If the CEO or his or her designee determines that the member who is subject to any allegations contemplated by paragraph 1 (i) may be eligible to compete in a competition under the jurisdiction of the US Squash, WSF or USOPC which is scheduled to occur more than fifteen (15) days from the date the CEO or designee receives the allegations, or (ii) may be subject to sanctions including suspension from more than one such competition in which that member is objectively qualified to participate, US Squash shall comply with the following procedures:

 - v. proposed time, date and place of the hearing (which shall be scheduled to begin at least seven (7) days before any affected competition, but no more than thirty (30) days after the date of the notice). The time, date and place of the hearing may be subsequently modified by the CEO or his or her designee if necessary to accommodate the schedules of parties, witnesses and other participants, provided however, that the hearing shall not be moved or rescheduled if doing so would prevent

participation by the member at issue or prevent the hearing from being concluded at least forty-eight (48) hours before any affected competition; and

- vi. any applicable supporting evidence included or attached.
 - c. A designated member of the Judicial Committee shall conduct such investigation as he or she deems necessary and shall prepare a written report of findings and recommendations, which shall include a short and plain statement of the operative facts, set forth in numbered sentences or paragraphs, which would form the basis for any disciplinary action. This report shall be transmitted to the Judicial Committee and the member no less than forty-eight (48) hours prior to the start of the hearing.
3. The member shall have notice of the Judiciary Committee members who will be participating in the hearing, and the opportunity to present his or her concerns regarding any member of the Hearing Panel to the Panel's chairperson.
 4. Prior to a hearing, the evidence will be distributed to all parties such that the evidence can be inspected within a reasonable time to prepare one's position in the matter. As such the member will be provided, within fourteen (14) business days, without just cause for delay, the written allegations any documents or materials relevant to those allegations and the opportunity to respond why the committee should not consider the allegations. This answer will be provided to the Judicial Committee and the name of any witnesses who may be present at the hearing will be provided to both parties should one occur.
 - a. At any disciplinary hearing, the designated member of the Judicial Committee shall be responsible for presenting all evidence of wrongdoing against the member to the balance of the Judicial Committee. The designated member shall have voice but no vote at the hearing.
 - b. The Judicial Committee shall conduct a hearing at the appointed time and place in which the participants shall have the following rights.
 - i. To be assisted or represented by legal counsel of the party's choosing;
 - ii. To submit via email to the Chair(s) of the Judicial Committee in advance of the hearing any information they deem to be relevant to the hearing;
 - iii. To call witnesses and present oral and written evidence and argument which the hearing panel, during the hearing, deems relevant;
 - iv. To confront and cross-examine adverse witnesses; and
 - v. To have an audio, video or stenographic record made of the hearing at the party's own expense.
 - c. The Judicial Committee may suspend or revoke a member's right to participate in protected competition only if it finds by a unanimous

- vote (if the panel is composed of three members) or a majority vote (if the panel is composed of five or more) that a preponderance of the evidence shows the member has, in fact, engaged in conduct which violated applicable laws while representing US Squash or in connection with his or her participation in US Squash activities, or has violated US Squash Codes of Conduct, policies or agreements with US Squash
- d. At least twenty-four (24) hours before any affected competition, but in no event more than fifteen (15) days after the hearing, the Judicial Committee shall issue a written decision dismissing the allegations against the member or imposing such disciplinary action as the Panel finds necessary or appropriate.
 - e. The foregoing procedures need not be followed, and the Judicial Committee may summarily impose sanctions including suspension or revocation of the member's right to compete, if the member at issue waives his or her right to such procedures in writing, which shall be deemed to be an admission of the allegations.
5. Emergency Suspension Procedures. If the CEO or his or her designee determines that the member who is the subject of any allegations contemplated by Paragraph 1 of this Section D above may be eligible to compete in a competition under the jurisdiction of US Squash, the Pan American Squash Federation (FPS), the World Squash Federation (WSF) or USOPC which is scheduled to occur within fifteen (15) days, the CEO or his or her designee shall comply with the following procedures:
- a. The allegations at issue shall immediately be transmitted to all available members of the Judicial Committee. Any member of the Judicial Committee who receives such allegations, and on the basis thereof, believes that the clear and convincing evidence demonstrates that emergency suspension is necessary or appropriate, may cause US Squash staff to provide oral and, if possible, written notice of that decision and proposed action, and shall specifically identify the competition from which the member is proposed to be excluded. The decision must be based on clear and well-documented evidence that the member has violated federal, state or local laws, codes of conduct or policies approved by US Squash.
 - b. The proposed action shall not deprive the member of the right to participate in more than one competition.
 - c. The member shall have the right to seek review of the suspension before it is carried out by providing to the CEO or his or her designee oral, and if possible, written notice of his or her intent to appeal within twelve (12) hours of notice of a suspension is received. Absent such notice, the proposed suspension shall be carried out. If the member notifies the CEO of his or her intention to appeal, the CEO shall

immediately refer the matter to the Judicial Committee for disposition.

- d. If review is demanded by the member, the suspension must be approved by a majority of those Judicial Committee members who, through the best efforts of US Squash, can be contacted prior to the competition and who have a reasonable opportunity to hear both the member and any responsible US Squash representative present and address the charges, personally or via telephone or via electronic mail.
- e. Judicial Committee members may approve the suspension only if the evidence demonstrates that it is the result of clear and well-documented allegations that the member has violated any code of conduct or policy approved by US Squash or any applicable federal, state or local law. In addition, if the Judicial Committee determines that further action is appropriate, it shall initiate long-term disciplinary proceedings in accordance with Paragraph 1 of this Section.
- f. Notwithstanding anything herein to the contrary in this Section 3, or any of its subparagraphs, if the urgency of the request for review requires a decision before the entire Judicial Committee can be gathered, then the decision of those Judicial Committee members who are able to participate in the hearing shall be final and shall not be subject to attack on the basis that fewer than three panel members participated.

E. **Member Misconduct and SafeSport**: The USCSS has been established by the USOPC and is charged with the responsibility of monitoring and enforcing compliance with the SafeSport Code for the Olympic and Paralympic Movement (“SafeSport Code”).  - a. US Squash intends to terminate the individual’s membership or impose any other discipline for which it is authorized by a specified date; and
 - b. The individual may request a hearing prior to the termination or other discipline becoming effective.
 - b. The hearing, if requested, shall be:
 - i. A telephonic hearing;
 - ii. Implemented on the most expedited basis possible; and
 - iii. Strictly limited to the issue of whether the individual falls into one of the Special Categories of Misconduct.
