

# US SQUASH MEMBERSHIP: BENEFITS FOR PLAYERS & GROWING THE SPORT!

FOR PLAYERS

## Powerful Technology: Club Locker

Player profiles, enter and view results, follow live scoring and streaming, engage with leagues and tournaments, reserve courts and find opponents

## Ratings & Rankings

Track progress through the world-leading squash rating algorithm, and earn rankings by skill rating or age division

## Leagues & Tournaments

Participate in accredited competitions including tournaments, district leagues, and national championships

## Stay Connected

Learn about the latest news through US Squash digital channels, live streaming of competitions, and Squash Magazine

## Learn

Access referee and coaching certifications

FOR THE SPORT

## Access and Growth

Supporting a nationwide infrastructure for competition, growing the Community Affiliate Network and the creation of new courts, and training coaches and administrators

## Excellence

Providing direct funding and resources for current U.S. pros, creating the next generation of champions, and fielding national teams in worldwide competitions

## Women & Girls

Striving for parity in participation and maintaining lifelong engagement

## Team Squash

Creating and expanding leagues and teams in middle school, high school, and college

## Sport Innovation

Investing in technology to support players, facilities, families, coaches and administrators

## Specter Center

Creating a home for the sport: hosting championships, Team USA, the U.S. Squash Hall of Fame, and piloting grassroots development programs
