

## What is the U.S. Squash Foundation?

The U.S. Squash Foundation was formed in 2024 to drive the most important initiatives for the growth of squash in the United States up to and beyond the 2028 Olympic Games. The Foundation provides the sport with a much needed U.S.-based, mission-driven philanthropic organization solely focused on growing squash.

Photos provided by the U.S. Olympic & Paralympic Committee

## Inclusion changes everything. The brightest sports stage in the world

Olympic inclusion provides important validation of squash's long, global and diverse history.

It sends a clear message to every aspiring athlete who dreams of competing at the highest level that their dedication can lead them to the pinnacle: the Olympics.

### MARSHALL PAGON

Inaugural Board Chair, U.S. Squash Foundation

*The U.S. Squash Foundation is a new chapter in the development of our sport – the creation of a foundation whose purpose is to serve as an inclusive “big tent” to support squash organizations and initiatives in attacking our sport’s most important strategic priorities.*

### AMANDA SOBHY

6-Time U.S. Champion & Team USA Ambassador, U.S. Squash Foundation

*The support for the Team USA athletes from US Squash has been an important part of our recent success on tour and in major regional and world team events. This support and focus on the pipeline of young players is now more vital than ever. The Foundation will make people aware of the most impactful initiatives to support.*

### NED EDWARDS

Executive Director, U.S. Squash Foundation

*US Squash has driven squash’s growth trajectory with increased player participation, a national center in the Arlen Specter US Squash Center and Olympic inclusion in the LA28 Games. Now, the U.S. Squash Foundation is the next crucial step to ensure squash has a strong position alongside other burgeoning sports for many years to come.*

## The U.S. Squash Foundation’s Core Initiatives:

### NEW COURT TECHNOLOGIES

Develop courts that can be easily and inexpensively installed in schools, public parks and indoor and outdoor public spaces.

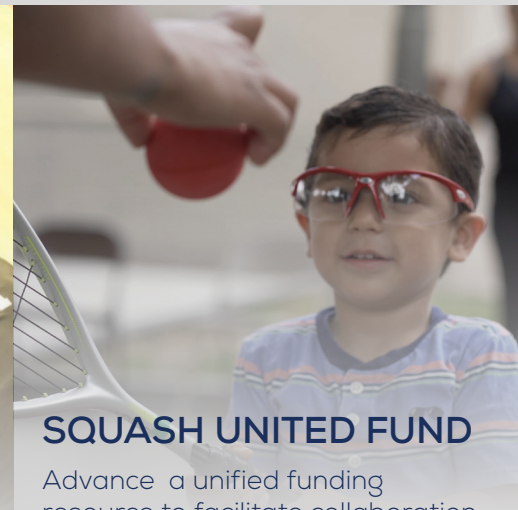

### PARTICIPATION

Expand scholastic, collegiate and community squash programs nationally.

### EXCELLENCE

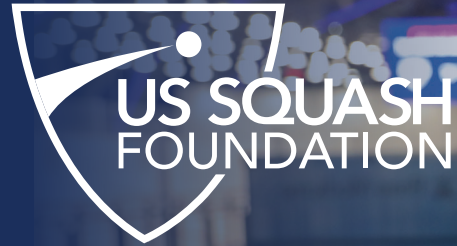

Provide national coaching and training programs to support America’s best squash players in becoming world and Olympic champions.

### SQUASH UNITED FUND

Advance a unified funding resource to facilitate collaboration and mutual support of all U.S.-based organizations dedicated to the growth and vitality of squash.

For the growth of the game.

## Support the U.S. Squash Foundation

The Annual Fund is the U.S. Squash Foundation's primary fundraising initiative, serving as the core resource to drive the most important initiatives for the growth of squash in the United States. Gifts to the U.S. Squash Foundation are 100% tax-deductible.
